A conference call is scheduled to discuss Stone Energy's fourth quarter and year-end 2009 earnings release as follows:

Time: 10:00 a.m. Central Time

The call can also be accessed through a live webcast on Stone Energy's website, www.StoneEnergy.com. The webcast link can be found in the Investor Center on the website.

David Welch and I plan to describe our recent operational and financial results and near-term plans. We expect that our remarks will take 20 to 30 minutes, after which we will answer questions. The press release for the fourth quarter and year-end results will be issued on **Tuesday, February 23, 2010, after the market closes.**

If you are unable to participate in the original conference call, a digital recording accessed by dialing (800) 642-1687 (ID #52123985) will be available at approximately 12:00 p.m. Central Time for one week. A web replay will be available approximately one hour following the completion of the call on Stone Energy's website.

We look forward to speaking with you soon.
